Simply click the green button to install the menu or the red button to uninstall it.

Note: If you uninstall the menu, all menu entries will also be removed.

## Admin Area Configuration

The screenshot shows the Admin Area Configuration page. The browser address bar indicates the URL: `http://www.ecomstor.biz/admin/configuration.php?gID=8712&selected_box=administration&secAdminID=3`. The page header includes the EcomStor + InterpriStor logo and a navigation menu with the following items: Store, Catalog, Customers, Orders, Shipping, Marketing, Content, SEO, CRM, Data, Tools, and Admin (selected).

The main content area is titled "Admin Area Configuration" and contains a table with the following data:

Title	Value	Action	Show Quick View tab
<b>ADMIN HOME PAGE</b>			
Show Quick View tab	true	→	edit
Show SEO tab	true	(i)	Last Modified: 07/23/2009
Show Sitemap tab	true	(i)	
Show Browser tab	true	(i)	
Show Learn tab	true	(i)	
Show Integration tab	true	(i)	
Show Addons tab	true	(i)	
Show Pricing tab	true	(i)	
<b>ADMIN HEADER</b>			
Show Admin Area Header	true	(i)	
Show Menu Icons	true	(i)	
Show Opened Menu Tab	false	(i)	

At the bottom of the page, there is a footer: "All rights reserved © 2010 Logistica Solutions Inc."

# EcomStor + InterpriStor

## Admin Area - Split View

The screenshot displays the EcomStor + InterpriStor Admin Area in a split-view format within a Mozilla Firefox browser window. The browser's address bar shows the URL: `http://www.ecomstor.biz/admin/split_view.php?selected_box=administration&ecoAdminID=6f25ec9d5e8cc`. The interface is divided into two side-by-side panels, each showing a dashboard for the user 'John Doe'.

**Navigation and Header:** The top navigation bar includes 'Home', 'Webpage', and 'Logout'. Below it, a secondary navigation bar lists 'Store', 'Catalog', 'Customers', 'Orders', 'Shipping', and 'Marketing'. A welcome message reads: 'Welcome John Doe to Ecomstor / InterpriStor Demo We'.

**Quick View Section:** This section contains several icons for 'Buy', 'Hosting', 'Website', 'Telephone' (with number 877-314-1618), and 'Support Tickets Email'.

**Store Info (Manage) [?]:** This panel provides details about the store:

- Store Name: Ecomstor / InterpriStor Demo Website
- Store Status: **Active**
- Store Email: sales@ecomstor.com
- Default Template: sample
- Primary Language: en (1 Installed)
- Primary Currency: USD (1 Installed)
- Database Backups: 62 (Latest 09/09/2010 09:52:36)

**Orders (Add) [?]:** This panel shows order statistics:

- Pending: 171
- Processing: 2
- Delivered: 1
- Allow Download: 0
- On Hold: 0
- Canceled: 0
- Awaiting CC Processing: 0
- Abandoned Shopping Cart: 0
- Canceled: 0
- Next Order Number: 345

**Products (Manage) [?]:** This panel displays product counts:

- Total Number of Categories: 55
- Total Number of Products: 359
- Active Products: 332

**Customers (Add/View) [?]:** This panel shows customer statistics:

- Total Customers: 79
- Subscribed: 76

The bottom of the screenshot shows the Windows taskbar with several open applications, including 'Ecomstor Split Vie...', '12 - Administration M...', and 'site2you\_lead\_develo...'. The system clock indicates the time is 3:07 PM.

## 12.2. Localization

In the Store tab you will find 'Localization' item, here is the screenshot given below

Under the localization item you will find some sub items as shown above.

### Localization | Currencies

If you click on currencies you will get a screen as shown below

#### Currencies

Currency	Code	Value	Action
US Dollar (Site default)	USD	1.00000000	<a href="#">edit</a> <a href="#">delete</a>

Displaying 1 to 1 (of 1 currencies)

[update currencies](#) [new currency](#)

**US Dollar**

Title: US Dollar  
Code: USD

Symbol Left: \$  
Symbol Right:

Decimal Point: .  
Thousands Point: ,  
Decimal Places: 2

Last Updated: 04/05/2004  
Value: 1.00000000

Example Output:  
\$30.00 = \$30.00

By clicking [update currencies](#) you can update the rate of your currency and by clicking [new currency](#) you can add new type of currency. By clicking delete you can [delete](#) any currency from your list.

Here you can customize the symbol of your currency. For example:

If you enter 'Rs.' as left symbol and '/-/' as a right symbol then your output would be Rs.1500/-.

After clicking [edit](#) you will get a pane as shown below

**Edit Currency**

Please make any necessary changes
